### **TBNRD Sub-District 3 Seat Will Be Vacant**

Long-time Tri-Basin Natural Resources District (TBNRD) director from Sub-District 3, Ray Winz of Holdrege, will retire at the end of 2016, leaving his seat on the NRD board vacant. At their November meeting, TBNRD directors agreed to seek nominations to fill the vacant position. Winz has served as a director for 24 years.

“Ray has been a very active director throughout his time on the board. He has also been a leader on Republican River issues for many years. His expertise will be missed,” said NRD manager John Thorburn.

A map showing the boundaries of Sub-District 3 can be found at: <http://www.tribasinprd.org/maps.html>. Anyone who resides in Sub-District 3 and is interested in being considered for the vacant seat should submit a letter of application to the Tri-Basin NRD office by 5 p.m. on Friday, December 9. Tri-Basin NRD directors will select Winz’s replacement from the applicants. The new director will serve a two-year term.

In other business, Ashley McNally from Tonniges Associates reviewed the 2015-2016 fiscal year audit with Tri-Basin directors. Directors approved the report, which showed no significant deficiencies in the district’s financial practices.

Tri-Basin NRD’s board also:

- Approved a resolution to purchase a property adjacent to the NRD office.
- Approved three Farm Service Agency Farm Plans.
- Approved three well decommissioning cost-share applications and one application for Tri-Basin NRD and NSCWP soil-moisture sensor cost-share funds.

Tri-Basin NRD’s next Board of Directors meeting will be Tuesday, December 13 at 1:30 p.m. at Tri-Basin NRD, 1723 Burlington in Holdrege, Nebraska.
