# **Water Hotline Now Available**

The Crop Water Use Hotline is once again available to farmers and crop consultants in Gosper, Phelps, and Kearney Counties. By calling the hotline, you can access data from weather stations near Lexington, Smithfield, Minden, and Holdrege. The hotline provides daily reports on crop water use and accumulated growing degree days for corn, soybeans, and alfalfa. The hotline number is 308-995-2255 or toll-free 1-800-993-2507. This service is provided by the Central Nebraska Public Power and Irrigation District; University of Nebraska-Lincoln Extension in Phelps and Gosper Counties; Tri-Basin Natural Resources District.
